

Announcements for December 11 & 12, 2021

End to Social Distancing

The Church is now at full capacity per instruction by the Diocesan Covid Taskforce. The new guidelines were updated in response to the relaxed restrictions by the City and County of Honolulu, which, went into effect on December 1st. Please continue to wear your masks and sanitize.

The Adoration Chapel Needs Your Commitment

The Adoration Chapel has gone back to full capacity. The chapel has been open from 7 am to 3 pm, Monday through Friday, during the pandemic. In order to return to Perpetual Adoration, we need to fill many hours. We cannot return to 24/7 adoration unless all hours are filled. If we are unable to fill all hours, the chapel will no longer be perpetual and will have limited hours. We urgently ask you to please sign up to be a committed adorer. There are PABS members at the front of the church who are ready to sign you up.

Misa de Gallo Begins Thursday

Dawn Masses, also known as Misa de Gallo, will begin this Thursday. Masses will be celebrated at 5am every day until December 24. Due to continued regulations prohibiting the sharing of food, we cannot have fellowship breakfasts after Mass this year.

Advent Parish Mission and Penance Service

Our Advent Parish Mission will be held in the church this Wednesday and Thursday at 7pm. The Parish Mission will feature Fr. Herman as our speaker. We will conclude the Parish Mission with a Penance Service on Friday at 7pm. There will be 12 priests to hear confessions on that evening. Please see the bulletin for other news and a schedule of events.
